

Willard Parks & Recreation Swimsuit Policy

Proper Swimsuit Attire Required

Proper swimsuit attire is required to enter all municipal pool facilities.

- Appropriate swimsuit attire is defined as clothing specifically designed for use in the water.
- Some examples of inappropriate attire include (but not limited to), basketball shorts, sports bras and light colored sport shorts, sweatpants, cut-off shorts, and cargo shorts. Aquatic cashiers will ask to see swim attire at time of entry. Those without appropriate attire will not be permitted to swim.

Swimsuit Coverage

- All swimsuits must cover genital regions.
 - If swimsuit coverage is not adequate Willard Parks Staff holds the right to ask the patron to change his or her swimwear or leave the pool facility.

Diaper Policy

- Patrons requiring diapers are prohibited from entering the pool without waterproof swim diapers.
- Swimmers not wearing swim diapers will be asked to exit the swimming area until a swim diaper is acquired. Disposable swim diapers can be purchased at the facilities.
- Adults are required to change diapers at designated diaper changing stations located in the changing rooms. Please do not change diapers on the aquatic facility deck or in the concession area.

Disease Prevention

- Children and patrons who have had diarrhea within the past two weeks are asked not to use the aquatic facility.
- Adults should ask their children to refrain from drinking the pool water.
- If your child or another child has an accident in the pool water or deck area, please notify a staff member immediately.
